

AIRGATE

The Anemoi AIRGATE fan has been developed for the forced ventilation of containers and enclosed spaces, allowing for complete renewal of the interior air. Its design is geared towards improving working conditions during loading, unloading, or inspection operations, helping to reduce the accumulation of gases, odors, and stale air.

CONTROL

Standard colour	Yellow
Motor power	550 W
Power consumption	384 / 452 / 550 W
Supply voltage	‘220 VAC ~ 240 VAC, 50 Hz–60 Hz’
Protection rating	IP24
Total weight	‘14.2 kg’
Motor type	Centrifugal motor
Air flow	2,640 m ³ /h
Pressure	500 Pa
Controller	Speed switch
