

AIRSLIM S+

The AIRSLIM S+ is a quiet, energy-efficient industrial ceiling fan, ideal for spaces up to 5 metres high. Its lightweight design allows for quick and easy installation, while its different power and diameter options (from 2.4 to 3 metres) adapt to multiple needs. With a flow rate of up to 6,000 m³/min and coverage of up to 350 m², it offers an excellent balance between weight, efficiency and performance.
